h. LOSB

The County encourages the utilization of locally-owned small businesses as sources of subcontract work. The County notifies all respondents that all firms and/or individuals shall comply with the regulations relative to nondiscrimination in federally assisted programs of the Title VI of the Civil Rights Act of 1964, as amended.

LOCALLY OWNED SMALL BUSINESS PURCHASING PROGRAM RULES AND REGULATIONS:

- (i) The Administrator of Purchasing in conjunction with the Administrator of EOC shall identify certain goods and services required by the County to be set aside for special purchasing procedures for locally owned small businesses.

(ii) Only certified locally owned small businesses will be allowed to submit competitive bids on the goods or services identified under paragraph (i) above.

(iii) The Administrator of Purchasing shall, in conjunction with the Administrator of EOC, annually review the Shelby County Capital Improvement Program to determine those projects with a construction cost of \$250,000 or more. Contracts amounting to at least ten (10%) of the construction costs of such project shall be awarded to locally owned small businesses as defined herein, except as set forth in sub-paragraph (vi) of this section, either as part of the conditions of the solicitation for general Providers bidding on these projects, or as separate bids issued by the County for subcontracts that may be assigned to general Providers.

(iv) After adhering to all other bidding and purchasing requirements of the County, not inconsistent with this part, if no bids are received from locally owned small businesses, then the County may solicit bids for the goods or services from all other sources.

(v) On all purchases and/or contracts entered into by the County, the Purchasing Administrator or his or her designee shall have the right to negotiate with any supplier of goods or services to the County for the inclusion of locally owned small business subcontractors and/or suppliers in the contract award.

(vi) Failure by a supplier or proposer to include locally owned small business subcontractors or suppliers in its bid or contract may be grounds for rejection of said bid or contract unless the supplier or proposer can show documented evidence of good cause why none were included.

(vii) Any locally owned small business awarded a contract or purchase order under this section shall not sublet, subcontract or assign any work or services awarded to it without the prior written consent of the Mayor or the Purchasing Administrator.

(viii) As to those purchases below the requirement for a formal bid solicitation (currently, under \$15,000) and not included in the locally owned small business set aside, the Administrator of Purchasing shall determine if any locally owned small business offers that product or service. If so, at least one such eligible locally owned small business should be included in the vendors contacted for an opportunity to bid, and the Administrator of Purchasing may, at his discretion, designate in a purchase order the purchase of such goods and services from the identified locally owned small business.

(ix) In those situations where a locally owned small business as defined herein, engages in open competitive bidding for County contracts, the Administrator of Purchasing shall provide for a preference for the locally owned small business where responsibility and quality are equal. Said preferences shall not exceed five percent (5%)

of the lowest possible bidder meeting specifications. The preference shall be applied on a sliding scale in the following manner:

- a. A preference of up to five percent (5%) shall be allowed for contracts up to \$500,000.00;
 - b. A preference of up to three and five-tenths percent (3.5%) shall be allowed for contracts up to \$750,000.00;
 - c. A preference of two and one-half percent (2.5%) shall be allowed for contracts up to \$1,000,000.00;
 - d. A preference of two percent (2%) shall be allowed for contracts that exceed \$1,000,000.00.
- (x) For construction contracts over \$2,000,000.00, the Administrator of Purchasing shall provide for a preference of two percent (2%) to general Providers meeting the requirements of Section 1, Subparagraph B, if fifty percent (50%) or more of the total work comprising the bid has been or will be awarded to certified locally owned small businesses. The fifty percent subcontracting threshold must be met prior to contract execution.
- (xi) The Administrator of Purchasing may divide a single bid package for any purchase of goods and services into two or more smaller bid packages in any case that the Administrator of Purchasing reasonably believes that the smaller bid packages will result in a greater number of bids by locally owned small businesses.
- (xii) The Administrator of Purchasing, upon approval of the County Mayor, may establish special insurance and bonding requirements for certified locally owned small businesses so long as they are not in conflict with the laws of the State of Tennessee.
- (xiii) The Administrator of Purchasing, with the approval of the County Mayor, shall adopt and promulgate, and may from time to time, amend rules and regulations not inconsistent with the provisions of this ordinance, governing the purchase of goods and services from locally owned small business concerns to effectuate and implement the Locally Owned Small Business Purchasing Program within the intent of this ordinance.
- (xiv) The Administrator of EOC shall, in conjunction with the Administrator of Purchasing, provide a written quarterly report to the Mayor and Board of Commissioners which shall include a summary of the purchases selected for this program, a listing of the contracts awarded to locally owned small businesses for the period, and the dollar amounts of each such contract, and the

percentage which such contracts bear to the total amount of purchases for the period.

VII. GENERAL REQUIREMENTS AND INFORMATION

a. Background

Shelby County accumulates, over a period of time, equipment, office furniture, vehicles and other items that the County deems to be obsolete. This property is deemed surplus and sold at public auction in accordance with the County's charter provisions. The County desires to employ the services of an auctioneer to conduct the required auctions in accordance with the terms and conditions of this RFP.

It shall be a condition of any contract entered into by the County with the successful Proposer that neither the Proposer, nor any of its employees, agents, subagents, or associates, not the employees of Shelby County Government or family members living with such employees, will be eligible to bid on or buy items sold in the auctions. This requirement must be announced prior to the start of all auctions.

All items placed into auction by the County will be sold to the highest bidder, **'AS IS', WHERE IS'**, without warranty of any kind. The County will provide the necessary personnel to arrange, prepare, and make ready for sale, on the business day immediately prior to the auction, the items of surplus property to be placed into auction.

b. Scope of Contract

The County wishes to engage in a contractual relationship with the best-qualified Proposer selected through a competitive process that will work well with the County's personnel in the performance of the Services in a manner that is cost-effective and practical, of which price is but one of the selection criteria.

c. Project Time Frame

The initial contract term will begin November 2016 or immediately upon execution of the contract through June 30, 2017, with the option to renew for two (2) additional one (1) year periods beginning July through June, with the same terms and conditions and satisfactory performance of all criteria and subject to the availability of funds for each renewal period. The optional renewal periods will be upon mutual written consent of both parties. The proposer must be prepared to begin immediately upon receipt of a fully executed contract and written "Notice to Proceed" from the County.

d. Reservation of Rights

The County reserves the right, for any reason to accept or reject any one or more proposals, to negotiate the term and specifications for the services provided, to modify any part of the RFP, or to issue a new RFP.

The County may at any reasonable time, at its expense, make an audit of the Proposer's books relative to the Accounts.

e. Selection Criteria

Each proposal response will be evaluated on the criteria outlined in the RFP document, see Section XI and XII. Each proposer should set out in its response to this RFP to clearly identify the qualifications of its company and each individual who will work on this project.

As part of the qualification process each vendor will be required to apply for an EOC# and provide workforce utilization information (see Section II above). Please contact the EOC Administration at 901-222-1100 if additional information is needed.

f. Additional Information and References

Any additional information that would be helpful to the County in evaluating a proposal, including a list of current and former clients with a similar profile to Shelby County, should be submitted. At least three (3) former clients who have terminated in the last five (5) years should be included on this list.

VIII. AWARD OF CONTRACT

Proposers are advised that the lowest cost proposal will not necessarily be awarded the contract, as the selection will be based upon qualification criteria as deemed by the County and as determined by the selection committee and the County Mayor.

The award will be made to the proposer whose proposal is determined to be best in terms of professional and technical completeness. The selection process may, however, include a request for additional information or an oral presentation to support the written proposal.

The proposers whose proposals do not meet the mandatory minimum requirements will be considered noncompliant. After evaluation of the proposals and selection of the successful proposer, all proposers will be notified in writing of the selected firm.

IX. PURPOSE/SCOPE OF WORK

The purpose of this RFP is to select the best-qualified Auctioneer (hereinafter referred to as "Contractor") to conduct live sales of surplus County property. This will result in the award of a County-approved contract for professional services to perform the Services and to satisfactorily complete all activities associated with the Services.

Services Required

Specifically, the Contractor will be required to perform the following services:

1. Utilize a system capable of providing the following data: a complete inventory of items to be sold; bidder's registration information; a listing of bidders by registration number, and corresponding data indicating the purchase details of each item sold, as well as a breakdown of all groups or lots sold or offered.
2. Prepare and furnish, at its own expense, all advertising materials and publicity necessary to advertise the sales and promote attendance of buyers, including the cost of advertising in local newspapers, radio, TV or other media, direct mail to the County's auction mailing list, and any other expenses involved. At a minimum, advertisements shall be run in a newspaper of general circulation in Shelby County, Tennessee for the last two weekends prior to an auction. Ad size shall be a minimum of two (2) columns wide by four (4) inches high.

6. Return to the County any item(s) for which payment was not received. The Contractor will earn no commission on returned items.
7. Receive payment for all auction items on the day of the sale and assure all items sold are removed by the purchasers. Within ten (10) working days after each auction, the Contractor will deliver a statement of the results of the auctions by department listing, verification of the gross proceeds and payment of the net proceeds of the sale to the Administrator, Support Services 584 Adams Avenue, Memphis, TN 38103.
